

## Indoor Containers

**Food Scrap Pail**  
13 x 8 x 9 inches

**28-qt desk-side bin**  
14.5 x 10.5 x 15 inches

**41-qt recycle bin**  
15 x 11 x 20 inches

**23-gal "wall hugger" bin**  
20 x 11 x 30 inches

**32-gal round bin**  
22.5 x 24.5 x 58 inches (32 gallon)  
*32 gal bin not recommended - material gets heavy*

\*Some containers may be provided courtesy of Republic Services, depending on quantity. Should you require additional bins, we suggest SupplyWorks, contact Rich Florez, 408-324-3253 or [rflorez@supplyworks.com](mailto:rflorez@supplyworks.com) OR Cole Supply, contact Michelle Stringer, 925-876-1565 or [mstringer@colesupply.com](mailto:mstringer@colesupply.com)

## Bags

Recycling	Food Waste Composting
<p>Recycling should be clean enough that you do not need to use a plastic bag to line the container. If you must use a plastic bag, it must be <u>clear</u> and preferably not tied tight.</p>	<p>If you are on the <b>commercial food scraps program</b> - Clear or Compostable Bags            If you are on the <b>comprehensive organics program</b> - Compostable Bags Only:  <b>Biomass Packaging:</b> <a href="http://www.biomasspackaging.com/products-list/ecosafe/">http://www.biomasspackaging.com/products-list/ecosafe/</a> or  <i>Allen King, 510-501-3307, <a href="mailto:allen@excellentpackaging.com">allen@excellentpackaging.com</a></i>  <b>Bio Bag:</b> <a href="http://biobaqusa.com/products/commercial/commercial-liners/">http://biobaqusa.com/products/commercial/commercial-liners/</a>            *Not sure which one? Check with Kimberly.</p>

**Recycling Assistance:** For help in setting up your program, training employees, etc., contact Republic Services' Recycling Coordinator Kimberly Lam, 925-671-5851 or [klam2@republicservices.com](mailto:klam2@republicservices.com)
